A lesson in logistics, efficiency and organization, [Foodbank of Santa Barbara County](#) is tasked with collecting and distributing hundreds of thousands of food items in a very timely manner. Each food item is accounted for, from [collection to distribution](#). A state-of-the-art software system, warehouse, and efficiently structured operation is necessary to accomplish this task.

Foodbank of Santa Barbara County will provide an update and tour of its 21,000 square-foot warehouse facility. As the need for food continues to grow, it is important that we are kept abreast with the state-of-the-art efforts to distribute the necessary food to those in need.

We encourage you to attend this important meeting and to bring a canned or boxed food item with you. See you there!

As always, there is no charge to attend, but we ask that you RSVP so that we can accommodate everyone. RSVP to edc@santamaria.com Or Call 925-24403 ext 817

About the Manufacturers Association
